

No other flooring offers warmth, beauty and value of real wood.

- A natural product with unique colour and grain variation, gives a feeling of warmth to your home while maintaining an elegant and luxurious look of your timber.
- Easy to clean and maintain. Allergy free - no dust or bugs that may live in carpets.
- An excellent insulator during winter and summer.
- Huge variety of timber species to choose from - in various styles of MODERN, CLASSIC, and COUNTRY finish.
- UV Aluminium Oxide Coating and UV Natural Oil Coating - ecologically safe and provides optimum protection against wear and tear.
- Cross Laminated Plywood Construction - extremely stable against expansion and shrinkage.
- Valuable investment for your home.
